**RE: Workshop to Gather Information from the Telecommunications
Industry Related to Preventing Violations of Tenn. Code Ann.
§ 65-21-114**

Dear Mr. Jones:

In response to your Notice of Filing dated September 16, 2003, please be aware that Universal Access, Inc. is a provider of private line, data only circuits. We do not currently provide any dial-tone or voice services. It is our understanding that Tenn. Code Ann. § 65-21-114 would not apply to us, as our customers do not make telephone calls in the traditional sense.

Thank you for your attention to this response; please contact me with any comments or questions at (888) 747-1744 x5072 regarding this information.

Yours truly,

Christina Tygielski
